Dash Panel Assembly ... A New, Permanent and Economical EXCLUSIVE Solution to Your Cracked Dash

1988-94 Chevy & GMC Truck

Finally, an economical solution to replace your unsightly cracked dash panel!

This new dash assembly has been developed exclusively by LMC Truck using improved heat-resistant thermoplastic compounds to resist shrinking and fading. Dash panel comes complete with the new plastic shell attached with rivets and screws to a zinc-plated metal frame as original.

PART DESCRIPTION 39-2440-GR DASH PANEL ASSEMBLY-GRAY

39-2441-GR DASH PANEL ASSEMBLY-GRAY

APPLICATION REQD CHEVY GMC 88-91 (1) \$399.95* CHEVY GMC 92-94 (1) \$399.95* Dash panel is painted in gray using paint mixed with an ultraviolet inhibitor to help prevent damage from the exposure to sunlight. Panel is ready to be prepped and painted to match your interior using ColorBond, shown on page 85.

The dash assembly includes the air duct sealed to the panel as original and ready to accept all your factory components.

*After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

15 Minutes of Fame

On the back cover of this catalog, you will find our new ad. The man and boys in this picture are dear to my heart. They are my son-in-law, Bud, and my two grandsons. (The one in the boots is his son, Bently.) Bud was a customer of LMC Truck long before he knew my daughter or me. He has loved and worked on trucks for 25 plus years.

When he saw the ad and the picture, he said, "Well, my head swelled a little. I just had my 15 minutes of fame." We both laughed, but later in the day I found myself thinking about what he had said.

What I want to say to him now, and not very privately, is this: Bud, it's not just 15 minutes of fame. You are teaching my grandsons lifelong lessons. How to think through what is wrong and meticulously go through each system and figure out how to fix it (I am not just talking trucks and cars). You are teaching patience, that everything is not disposable, math skills and language

skills. However, we might have to talk about some of the new words he is learning.

Your passion for these trucks is so much more than 15 minutes of fame. These boys are 7 years old, so your 15 minutes will last Bently's and your nephew's lifetime. It will be passed on to their sons or daughters or maybe to my two little redheaded, blue-eyed twin granddaughters when you and Rachel get around to having them. (Yes, I put it into the universe!)

Your 15 minutes is really about all of our lifetimes and what we choose to pass on to our children. You are teaching him well.

How to Use this Catalog

Example: Wiper Blades

DESCRIPTION APPLICATION
ADE 2ND DESIGN CHEVY GMC 94-98 PART 37-4045 PRICE ILL# DES (1) WIPER BLADE \$8.95

Please Note: Product drawings are only representations. Products supplied may vary from illustrations in this catalog.

ALL ITEMS ARE PRICED EACH IN THIS CATALOG.

"Kit" means the components that are required to do a replacement for one part, check required column. "Set" means a number of parts that complete one truck.

Explanation of policies is on pages 164 and 165.

Listing Explanation:

PART: The part number you order, i.e. #37-4045.

ILL #: Illustration reference number, i.e. (1) is the Wiper Blade.

DESCRIPTION: Name of part, i.e. Wiper Blade.

APPLICATION: Model and year part fits, i.e. 2nd Design Chevy GMC 94-98.

REQD: Quantity of the part required for one truck, i.e. two (2)

Wiper Blades are required for one truck.

PRICE: The low price you pay for one part, i.e. Wiper Blade is \$8.95, making your total net cost \$17.90 + Delivery & Handling for two Wiper Blades required for one truck.

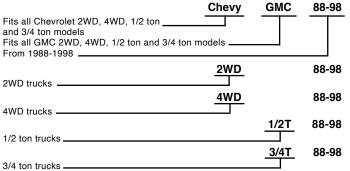

Part Number Definitions

- -T After a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.
- -Z Remanufactured Part Core charge will be applied then refunded after receipt of a rebuildable core.
- -R Remanufactured Part No core charge.
- After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

How to Read this Catalog

Throughout this catalog, the application line of the part number describes which model of GM Truck that particular part will fit. The models this catalog covers are 1988-98 2WD, 4WD, 1/2 ton and 3/4 ton trucks. Because not everyone can identify their truck by these model descriptions, here is an example of what each letter and number that appears on the description line stands for:

Part Number Examples

The application line states that this part, #38-8300, fits all Chevy GMC models from 1988-98.

| PART 38-8300 | DESCRIPTION HOOD TO COWL SEAL | | APPLICATION CHEVY GMC 88-9 | | PRICE \$14.95 |
|-----------------|----------------------------------|-----|-------------------------------|-------|------------------|
| 39-7402 | AIR DEFLECTOR | "A" | 2WD 1/2T 89-9 | 7 (1) | \$39.95 |

The application line states that this part, #39-7402, fits 2WD 1/2 ton models only 1989-97. On the description line of part you see "A", this means there is a special note about this particular part.

At the bottom of the page the part appears on you will find a shadow box that will describe to you what the special note for this part is.

Example:

Fender Trim Molding

Note: "A" With fog light holes.

This note is telling you that this part has fog light holes.

INDEX

If You Can't Find the Part You Need in this Catalog, Here's What You Should Do:

- Check the CLASSIFIED LISTINGS of your local NEWSPAPER (usually the Sunday issue is best) for cars being "parted out" (sold in pieces).
- Check local SALVAGE YARDS. Even if they do not have a car like yours on hand, most salvage yards have access to a communication network which connects them to other salvage yards in your region of the country. Don't hesitate to ask them if you may use it.
- Check local BODY SHOPS and GARAGES for parts accumulations they may have built up over the years. You might get lucky!
- Check local WELDING and MACHINE SHOPS to see if they might be able to MAKE the part you need.

IDENTIFICATION / ABBREVIATION

Transmission Identification

TH400, 4L60/TH700R4, 4L60E and 4L80E Transmissions can be identified by the location or absence of the Modulator and by the shape of the transmission pan.

- TH400 Modulator is located on the side of the transmission case.
- 4L60/TH700R4, 4L60E & 4L80E Have no modulator.

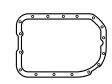

TH400 Modulator Location

4L60/TH700R4 and 4L60E Square Pan with 16 Bolts No Modulator

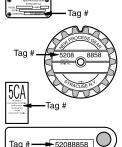

4L80E Pan with 17 Bolts No Modulator

Transfer Case Identification

All Transfer Cases have an assembly tag attached to their case. The tag may be a bolted, riveted or screwed on metal tag, or a stick-on paper tag. The Transfer Case must be identified by the assembly number listed on the tag. If your tag number does not appear on the line, it will not fit your truck. See illustration.

are used for reference only.

Ν

Totally redesigned trucks were lower, longer, more aerodynamic and were engineered for driving comfort while providing all the latest convenience features. The exterior was 3-1/2" narrower but featured more leg and

shoulder room. Larger, flush mounted glass provided a 33% increase in viewing area than previous pickups. Stepside models were only offered on 1/2 ton standard cab shortbed configurations with rear fenders made of fiberglass panels with functional steps on the front and rear of the fender. Extended cab was optional for the first time on Fleetside models. Bed was a one-piece welded unit. Three trim levels were offered for Chevrolet: Cheyenne, Scottsdale and Silverado. GMC trim levels were base, SLX and SLE. 4WD trucks had independent front suspension with torsion bar springs. Insta-Trac 4WD system shift-on-the-fly allowed shifting from 2WD to 4WD high at any speed. Standard engine was a 4.3L V6. All gas engines featured throttle body fuel injection.

1989 Fleetside Sport appearance package included body color grille and bumpers, chrome plated wheels, fog lights and sport graphics. GMC Sport model was named the Sierra GT. Z71 off-road package featured engine, front differential and transmission skid plates with Bilstein shocks.

1990 454SS 2WD 1/2 ton standard cab, shortbed debuted in Onyx Black with Silverado trim. This limited edition truck was equipped with 230 horsepower and 385 lb.-ft of torque, Turbo 400 transmission, performance handling package and a 3.73 rear axle ratio. Work Truck (W/T) also introduced as a low option regular cab longbed in standard Cheyenne trim with a new grille and black bumpers. 2WD and 4WD versions were offered.

1991 7.4L engine was revised to increase its reliability and fuel economy. The 4L80E, a new 4-speed automatic electronic overdrive transmission, was available on heavy-duty models. Other options included a tachometer, high back reclining bucket seats and a bedliner.

Stepside models were available with extended cabs. New exterior colors for the 454SS model were red and white. 4-speed manual transmission was dropped. 6.5L Diesel engine available with turbocharger.

1993 Sportside Sport included body color grille, side mirrors, front and rear bumpers, and cast aluminum wheels. Scottsdale trim level dropped. All models featured an anti-chip coating applied to the leading edges of the hood, roof and A-pillars. 4.3L engine received a new balance shaft and revised cylinder heads with improved flow. Hydra-Matic 4L60E 4-speed electronic overdrive automatic transmission available for trucks under 8,500 lb. GVW. Last year for the 454SS.

1994 Chevy and GMC grilles received updates. Guard beams added to both front doors for safety. Third brake light added to cargo light on roof. Air conditioning system switched to R134A. Base model GMC renamed SL and upgraded SLT trim was added. 6.2L Diesel engine dropped.

1995 4-wheel ABS and driver side airbag were standard. Interior was restyled and the audio system was improved. Remote keyless entry was optional.

All engines were reengineered; Vortec designation was extended to all gas engines. 4.3L, 5.0L and 5.7L engines were equipped with central sequential fuel injection. 7.4L featured multi-point fuel injection. Highflow cylinder heads, higher compression ratio, roller valve lifters and new camshafts contributed to 30% more horsepower and 10% more torque improvement. Diesel engine only available with turbocharger. OBDII debuted. NP1 electric shift transfer case was available, eliminating the floor-mounted shifter. Daytime running lamps standard. Third door on passenger side was optional.

1997 Passenger side airbag standard on all models under 8,600 lb. GVW. Electronic speed sensitive power steering system introduced. 4L60E and 4L80E transmissions were tweaked for smoother operation and greater efficiency.

1998 OnStar system became a dealer-installed option. Passlock theftdeterrent system added.

1998

BODY

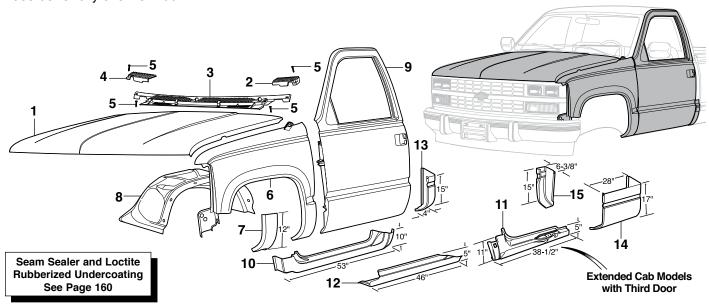

Steel Body Panels and What to Expect

All sheet metal is inspected before it is shipped and careful steps are taken to package parts so there is no damage during shipping. Due to the nature of the product, sheet metal is easily damaged and scratches, dents, dings and other imperfections are normal and not considered damaged. These kinds of imperfections should be expected and can be easily fixed during installation and the paint preparation, sanding and priming stages of your restoration. It is recommended you inspect all sheet metal that is delivered before the delivery driver leaves. Test fitting of all panels before installation is recommended and the use of alignment shims and other adjustments during the install may be required.

- *After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.
- -T after a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.

HINGE / COWL INDUCTION HOODS

Billet Hood Hinge Sets

1988-98 Chevy & GMC Truck

Transform the look underneath your hood with this Eddie Motorsports Billet Aluminum Hood Hinge Set. Designed to replace stock stamped steel hood hinges, they are CNC machined to perfection in the USA from 6061-T6 billet aluminum. These billet hinges feature nitrogen filled gas struts and sealed ball bearings at all pivot points for smooth and reliable operation. Bolt-on design fits the factory mounting holes with the included stainless steel hardware. Available in Matte Black and Polished finish.

Cowl Induction Steel Hoods ... Give Your Truck a High Performance Look

Cowl Induction Steel Hood helps cool the engine for increased airflow and increased performance.

-T after a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.

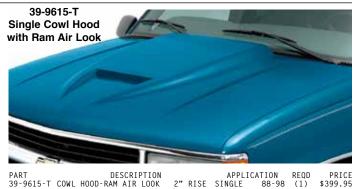

The outside cold fresh air carries a denser air/fuel mixture to an engine's combustion chambers than the warm underhood air. Hoods are made from primed high-quality steel with full inner frame that reuses original factory latch and hinges for an easy bolt-on application and must be painted.

Cowl Induction Emblem Set

Emblems attach with push nuts and adhesive tape, included. Holes will need to be drilled for installation.

ABS Hood Insulation Kits

39-2278

Heat-resistant textured ABS Hood Insulation Kit covers up the underside of your hood and is available with or without officially licensed logo. Each kit includes pre-cut foil-backed insulation material, 14 oz. spray adhesive, 1 roll of aluminum tape, center punch, drill sleeve, mounting hardware and illustrated instructions. Drilling may be required on models not originally equipped with hood insulation. Models with underhood light will need to modify the hood insulator for reinstallation.

POR-15 Restoration Products

POR-15 is a high-performance rust preventative black paint designed to extend the life of new and rusted metal surfaces. It dries to a rock-hard, nonporous finish that will not rust. chip, crack or peel.

Dries in 2 to 5 hours; body fillers and paint can be applied over POR-15. For maximum effectiveness, degrease metal surfaces with Cleaner Degreaser, then prime with Metal-Prep.

> Approximate product coverage: 1 pint = 48 sq. ft.; 1 quart = 96 sq. ft.

Dry Time Accelerator reduces the cure time of POR-15 by 30-50% without affecting the final physical properties of the paint. One 8 ounce bottle treats 64 pints or 32 quarts of POR-15.

| PART 37-8411 37-8412 | DESCRIPTION POR-15 SEMI-GLOSS-1 PINT POR-15 SEMI-GLOSS-1 QUART | PRICE \$37.95 \$56.95 |

High Temp Paint is an extreme temperature finish that maintains color without burning off or discoloring on manifolds and headers. Withstands high temperatures up to 1200°F and resists cracking, chipping and peeling. It is weather-, salt- and moisture-resistant. Available in gray or aluminum color; can be brushed or sprayed on. Recommend sandblasting for optimal surface preparation.

| Approximate coverage: 8 oz. covers a set of big |
|---|
| block V8 headers with two coats. |

Metal-Prep provides adhesion for POR-15 on any metal surface. Gently etches metal, neutralizes rust and creates an ideal anchor for coatings such as POR-15, while leaving a zinc phosphate finish to ensure chemical bonding of paint and steel. Metal-Prep must be used on galvanized metal, aluminum, stainless steel and smooth, polished or new metal surfaces prior to applying POR-15. Metal-Prep is water-based so it is not caustic, corrosive, toxic or flammable.

| PART | DESCI | PRICE | |
|---------|------------|----------|---------|
| 37-8415 | METAL-PREP | 1 QUART | \$19.95 |
| 37-8416 | METAL-PREP | 1 GALLON | \$39.95 |

Cleaner Degreaser cleans and degreases in one application without messy residues, noxious fumes or flammable solvents. Removes grease, oil, mildew, algae, musty odors, soap films and wax from canvas, vinyl, plastics, nylon, wood, fiberglass and all metal surfaces.

Cleaner Degreaser should be used as a surface prep prior to using Metal-Prep and POR-15.

POR-15 Self Etch Primer is a quick drying and easy-to-apply coating which enables a restorer to quickly topcoat POR-15 Rust Preventive Coating and other basecoats. You can even topcoat POR-15 that's been in place for months or years. This Self Etch Primer is NOT a high-build primer, it can be sprayed on almost any painted surface and can be top coated in 15 - 30 minutes. It bonds incredibly well to POR-15 Rust Preventive Coating, and all topcoats bond incredibly well to POR-15 Self Etch Primer. It can be sanded lightly, and, if desired, multiple coats may be applied.

| PARI | DESCRIPTION | PRICE |
|---------|-----------------------|---------|

37-8403

DESCRIPTION

37-8404

POR-15 Top Coat can be applied directly to a clean prepped metal surface, but when used as a top coat over POR-15 Rust Preventive Coating it provides the toughest, most permanent protection against rust and corrosion. It has exceptional long-term gloss and color retention when exposed to sunlight and the elements, non-porous, extremely scratch and chip resistant, won't crack, peel or chip. Can be applied directly to metal substrates, with no need for a primer or undercoat, and is formulated to form a robust barrier that sheds moisture.

PRICE Chassis Black has a semi-gloss appearance. For maximum durability Chassis Black should be clear coated.

Bed Liner is a water-based, rubberized coating ideal for protecting truck beds, and all other metal, aluminum, fiberglass and wood surfaces exposed to impacts and scuffs. It is UV stable and offers superior adhesion, impact resistance

and flexibility. Features a textured semi-gloss black finish for good looks. Prior to application, surfaces should be degreased with Cleaner Degreaser and metal surfaces should be treated with Metal-Prep. Bed Liner can be applied over POR-15.

Shortbed trucks - 1 gallon for two coats on bed floor, sides and tailgate. Longbed trucks need an additional quart.

Approximate product coverage: 1 quart = 25-30 sq. ft.; 1 gallon = 100-120 sq. ft.

3-in-1 Truck Ties

Tie Down Anchors - See Page 21

Tested to -20°F and 165°F, these 3-in-1 Truck Ties are made in the USA from durable nylon plastic and are designed to fit into the stake pockets of your truck in three different ways: by installing with the ring side facing the truck bed so multiple cargo straps can be used; with the cleat side facing the truck bed to keep tension in the rope each time it

is looped around the tie; or by covering the load with a tarp over the stake pockets and inserting the truck ties into the stake pockets over the tarp (rated for highway speeds).

Ties can be installed and removed with no drilling or modifications necessary.

Rail-Guards Provide Protection for Your Truck's Bed Rails

DESCRIPTION VINYL RAIL-GUARD SET 38-3202 VINYL TAILGATE GUARD

APPLICATION PRICE CHEVY GMC 88-98 (1) \$89.95 CHEVY GMC 88-98

Rail-Guard is made of impact absorbing heavy-duty vinyl to protect your truck's bed rails. No drilling required. The full width 3M™ adhesive over the entire backside ensures maximum holding and means no condensation and dirt under the Rail-Guard. Can be used on running boards, rocker panels and in other

applications where an attractive protection strip is needed.

Rail-Guard Set is a 22 foot roll of 3-3/4" wide vinyl for bedsides and tailgate with a 6 foot roll of 1" extrusion for the front bed panel. Tailgate Guard is a 6 foot roll of 3-3/4" material. Must be sized and cut to fit.

ABS Bed Caps Offer Protection with Style

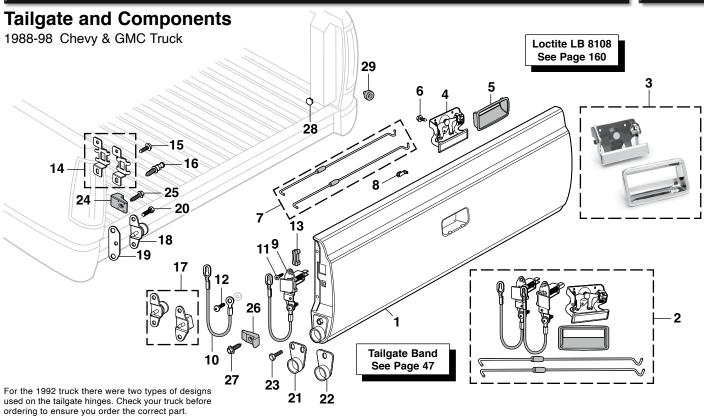

ABS Caps offer protection for bed rails, tailgate and the front of the truck's bed. Choose between ribbed or smooth bed caps. Pre-cut stake pocket holes keep the factory look. Quick, easy installation with 3M™ tape, included.

* After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

EXTERIOR ACCESSORIES

Tuff Truck Bag

Tuff Truck Bag is heavy-duty to withstand the elements for all-season cargo protection yet lightweight and collapsible to allow for easy storage when not in use. Tuff Truck Bag can be set up and loaded into any truck bed within minutes, unlike the time required for a camper shell or tonneau cover installation.

- Made from weatherproof, waterproof, non-breathable PVC material with heat fusion epoxy sealed seams along all edges.
- Heavy-duty, commercial-grade zipper and waterproof PVC triplefold flap that covers the zipper.
- Heavy-duty metal rings in all four bag corners (top and bottom) to retain the bag to the truck.
- Includes storage tote bag and four adjustable bungee cords.
- Provides 26 cubic feet (40"x 50"x 22") of waterproof storage for any truck bed.
- Can be used alone or in addition to existing storage boxes.

PART DESCRIPTION REQD PRICE 38-3058 TUFF TRUCK BAG-BLACK (1) \$169.95

38-3029

Tailgate EasyLift's™ torsion spring reduces the tailgate's weight by 80% allowing easy opening and closing of the tailgate. Manufactured of hardened spring steel, it can be easily installed by just drilling two mounting holes. Complete with instructions and installation template.

Tonneau Cover is made from heavy-duty vinyl attached to a black enameled aluminum frame which clamps to the truck's bed. No drilling needed. Frame does not attach to the tailgate so it can be opened as needed. Vinyl cover comes with a 10-year warranty and the frame has a lifetime warranty. Smooth, aerodynamic profile improves gas mileage by as much as 10%.

Tonneau Covers feature special reversible snaps, which allows adjustable tension to compensate for weather conditions. Position the snap stud low for a tight fit in hot weather or reverse the snap stud to high for loser fit in cold weather. Corners and snaps are backed with thick polymer. Strong and durable fiberglass reinforced nylon snaps will not break.

The large, adjustable bows help keep rain and snow out and are easily removed and reinstalled when hauling bulky items. Locking corners allow easy removal of the tail rail to haul longer loads.

Hinged Tonneau Cover design enables full access to the bed without unsnapping the entire cover. Simply unlock the polymer covered locking handles and lift the tonneau cover. Aluminum frame features stainless steel and brass snaps and locking corners allowing easy removal. The quick release front hinge makes removal of the entire cover and frame easy; or if the frame cannot be left, roll up the vinyl cover and secure with the convenient straps, then remove the bows and tail rail to haul that bulky load.

^{*}After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

Bed Mat and Tailgate Mat Protect Your Truck

This rugged, virtually indestructible Bed Mat is made with 3/8" thick cord-reinforced rubber for optimum tear strength and protects the truck's bed against dents, scratches, chemical spills and shifting loads. Also available is the Tailgate Mat made from the same durable cord-reinforced rubber as the Bed Mat to protect against dents and scratches. Both Mats can be easily installed and removed. Requires minimal maintenance; cleanup is easy with soap and water.

The smooth, raised ribs running lengthwise ease loading and unloading; and the knobby underside promotes aeration and drainage to keep the truck's bed dry. A raised border around the perimeter of the mat improves appearance and definition. This is a custom molded mat with no trimming necessary. Tailgate mat includes mounting hardware.

Diamond Tread Bumper is made from die-formed construction tested to a maximum 800 pounds tongue weight and 8,000 pounds trailer weight. Do not exceed truck manufacturer's recommended towing capacity. Bumper features a long-lasting, durable, powder coat finish that is more resistant to chipping and fading than standard painted finishes. Also features a diamond tread surface for safe footing and a full tag area with license plate holes. Includes license plate lamps.

#37-0385 and #36-4505 fit Diamond Tread Replacement Rear Bumpers listed below only.

Custom Front Bumpers are stamped from new tooling using OE-quality steel for strength and durability. Bumper is buffed and polished for a smooth defect-free plating surface. The Triple Nickel Plating process creates a brilliant, high-quality mirror-like finish. Bumper has a 5 Year Limited Warranty on rust-through perforations. Combination Fog/Driving Light Bumper is equipped with two 5-3/4" x 2" multi-surface reflector housing fog/driving lights. Lights are installed in the bumper, complete with all necessary wiring and installation instructions.

Lights have an aluminum die-cast housing and three-tier protective finish coating, which makes the housing corrosion free. State-of-the-art reflector, in combination with a strong semi-hardened crystal glass lens, gives maximum light output. Lights use a high efficiency halogen 12V 55W replaceable bulb and are OE quality, DOT and SAE approved and are legal for on-road use. Lights come with a 3 Year Limited Warranty on light assemblies (excluding bulb). Includes one illuminated rocker switch and one 12 volt relay.

For added style, replace the white halogen bulb with a halogen blue-coated bulb. The blue-coated bulb creates an intense white light which is popular in today's new cars and trucks. Get the cool look of HID (high intensity discharge) lighting without the high price; call or go online and order yours today!

Custom Chrome Front Bumpers

Premium Chrome Bumper

- Bumper is stamped from new tooling using OE-quality steel for strength and durability.
- Bumper is buffed and polished to achieve a smooth defect-free plating surface.
- The Triple Nickel Plating process creates a brilliant, high-quality mirror-like finish.
- 5 Year Limited Warranty on rust-through perforations.

Available lighting choices include fog lights or driving lights. Fog lights provide a low, wide beam pattern for improved short-range vision in fog, rain or snow. Driving lights provide a longer, more focused beam pattern for improved long-range vision at highway speeds.

The 2-Light Bumper is equipped with two halogen fog lights, one illuminated rocker switch and one 12 volt relay. The 4-Light Bumper is equipped with two halogen fog lights and two halogen driving lights with two illuminated rocker switches and two 12 volt relays. Lights are installed in the bumper, complete with all necessary wiring and installation instructions.

Lights have an aluminum die-cast housing and three-tier protective finish coating, which makes the housing corrosion free. State-of-the-art reflector, in combination with a strong semi-hardened crystal glass lens, gives maximum light output from a 3-3/4" diameter light. Lights use a high efficiency halogen 12V 55W replaceable bulb and are OE quality, DOT and SAE approved and are legal for on-road use. Lights come with a 3 Year Limited Warranty on light assemblies (excluding bulb).

CUSTOM VALANCES

Custom Valances

Custom Chrome Valances are stamped from new tooling using OE quality steel which is then buffed and polished to achieve a smooth defect-free plating surface. Three layers of nickel – semi-bright nickel, strike nickel and bright nickel – are applied to form the base for chrome

plating to create an exceptionally smooth plating surface with a highquality mirror-like finish. Mounting hardware is included. Comes with 5 Year Limited Warranty on defects in material and workmanship.

PART DESCRIPTION APPLICATION REQD PRICE 37-7880 CUSTOM CHROME VALANCE SMOOTHIE 88-98 (1) \$199.95*

Custom Chrome Lighted Valances

Custom Lighted Valances are complete with OE quality halogen fog lights, illuminated rocker switch, 12 volt relay, wiring and installation instructions. The halogen lights have an OE quality aluminum diecast housing and three-tier protective finish coating, making the housing corrosion free. State-of-the-art reflector combined with strong semi-hardened crystal glass lens give the maximum light output from a 3-3/4" diameter light. The halogen lamps use a high-efficiency halogen 12 volt 55W replaceable bulb. Lights are DOT and SAE approved and are legal for road use. Lights come with 3 Year Limited Warranty.

Preassembled All Chrome Grille with 4MM Billet for GMC

* After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

All Chrome Grille Shell is assembled with Billet Aluminum Inserts already installed.

Billet Aluminum Inserts are bolt-on with no cutting and are made from the highest quality materials. Face edges of the billet insert are polished; sides and back have an EDP (Electro Deposit Primer) finish. Billet crossbars have been welded to V channels which give the inserts strength without the unsightly welds found on some aftermarket inserts. Emblem sold separately. Billet Aluminum Inserts come with a 2 Year Warranty.

All Chrome Special Edition Grille

1988-98 Chevy & GMC Truck

39-4110

39-4111

Made Exclusively for LMC Truck, this engineer designed Special Edition Grille is made from precision machined tooling and is a blend of OEM and custom design to achieve unique and timeless styling for a Chevrolet or GMC truck. It is the next level beyond billet.

This rugged plastic all chrome grille is injection molded so there will be no bent or warped bars, no dull finish and no cumbersome brackets needed. Go from stock to style in minutes with easy installation. Grille bolts onto stock location using factory hardware.

Chevrolet Bowtie and GMC Emblems are available; sold separately.

Special Edition Grille will fit GMC models if corresponding 1988-93 or 1994-98 Chevrolet sidemarkers and reflectors are purchased. See pages 149 and 153 for Custom Sidemarker Sets or page 144 for stock replacement sidemarkers.

Flexy-Flares™ ... To Cover **Those Wide Tires**

38-3208

Flexy-Flares™ provide protection from mud, dirt, gravel and salt and are a necessity in many states where wide tires must be covered by a fender. Constructed from EDPM synthetic rubber, they won't crack, peel or droop in extreme temperatures. These heavy-duty flares use a wire insert on outer edge for extra strength and added rigidity, and the

built-in curvature allows the flare to fit the fenderwell without wrinkles or buckling. Flexy-Flares™ extend your fenders 3" and come with hardware packs for easy installation. **Set of 4**

MOLDING

Body Side Molding

1988-98 Chevy & GMC Truck

Adhesive Roll Molding Tech Tip: Use Vinyl Edge Sealer Pen #38-0921 on all cut ends to ensure maximum molding life.

Pre-cut, no hassle, ready-to-install truck molding with factory formed or factory die-cut end treatments. Clear top-coated chrome mylar moldings make your truck look new again. Each pre-cut section has 3M™ tape pre-attached for an easy installation. Due to varying option packages, modification of kit contents may be required for your truck.

Note: Door emblems cannot be attached to side molding.

Fleetside Aluminum Running Boards Give You a Step Up

Extruded Aluminum Running Boards feature rugged extruded aluminum finished with a britedip anodized coating for durability. Rough tape runs the entire length of the boards for secure stepping all year round.

Diamond Tread Running Boards are constructed of thick gauge aluminum for strength and the diamond tread provides traction for secure stepping in all kinds of weather.

Full-size stone guards protect the Diamond Tread and Extruded Running Boards from road debris. Mounting brackets are made from heavy-duty steel for added strength.

Replacement Door Panel Sets

1990-94 Chevy & GMC Truck

PART

Saddle

These are replacement door panels, not reproductions of the originals. Door Panels are sold in sets of two and include padded armrest and window weatherstrip.

Replacement Door Panels are made from heat-resistant black plastic then painted in available colors with an ultraviolet inhibitor to prevent sun damage. Includes plastic retaining clips; armrest screws must be reused. The original door lock switch panel is reused and installed on the replacement panels.

Replacement Bench Seat Cushions

Replacement Bench Seat Cushions are manufactured with a precision cold cure molding process that exceeds original quality and is fleet tested and reinforced with a tough Polypropylene mesh.

There were two types of bench seat cushions used from 1988-98. Check your truck before ordering to ensure that you order the correct cushion.

Without Exposed Support Springs: The seat cushion is molded around the support springs. No springs are visible underneath the seat. The cushion must be cut away from the support springs and the replacement cushion placed on top of the exposed springs.

With Exposed Support Springs: The seat cushion rests on top of the support springs visible underneath the seat. The cushion is removed and the replacement is placed on top of the springs.

Seat Defender ... Dual Layer Defense for Your Seats

Prevent seat damage instead of covering it up. Universal design installs easily and fits virtually any bucket seat or split bench seat with headrest. Use it when you need it and remove it when you don't. Stores easily and is machine washable.

Sold Individually

Top Layer Bottom Layer

Dual-layer defense: top layer of 600D Terylene fabric guards against dirt, grease, pet dander, spills, etc.; and bottom layer of anti-skid thermoplastic rubber protects upholstery and keeps cover in position.

INTERIOR

Pro Classic Sport Seats ... 3 Setups To Transform Your Interior

1988-94 Chevy & GMC Truck

Transform your interior with TMI's low-back Pro Classic Sport Bucket and Bench Seats!

These custom, fully assembled seats will look and feel great in any truck. Seats feature a tubular steel frame, molded seat foam, sporty side bolsters and a handcrafted premium padded black vinyl upholstery available with three stitching color choices to complement your ride.

Includes seat reclining mechanism and slider tracks. Seats are universal and require mounting brackets for installation.

Seat mounting brackets are sold separately.

Center Consoles are constructed from a molded fiberglass base, then covered with premium black vinyl. Includes a padded armrest with an integrated storage tray and two cup holders. Consoles are specifically designed for use with Pro Classic Sport Bucket Seats and mounting brackets.

*After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

Rear Bench Seat Cover

1988-94 Extended Cab Chevy & GMC Truck

TMI Pro Classic Sport Series Rear Bench Seat Covers offer an affordable way to replace your worn upholstery with premium padded vinyl material that matches the front TMI seats. Existing seat foams must be reused.

Molded Carpet ... Fits and Looks Like Original

Cut pile carpet is molded from the original floor pan for a perfect fit that covers the entire floor. It's made from 100% nylon with an OE type heel pad. The heavy 36 ounce jute padding under the front passenger area helps insulate against heat and reduces road noise.

Color coordinated original style heel pad is attached. The color coordinated vinyl binding helps prevent fraying and adds the finishing touch.

EVA Sound Deadener and Heat Shield Kit

EVA Sound Deadener Kit

The EVA Sound Deadener Kit is die cut for easy installation. Made from OE type, 1/16" thick Ethyl Vinyl Acetate (EVA) which is an asphalt based

material used for sound dampening. Applies directly to the cab floor. Reduces road noise and cab harmonics to

give you a quieter ride and also helps to insulate against heat and cold. To further insulate against heat and cold, use in combination with the Heat Shield Kit.

DESCRIPTION EVA SOUND DEADENER KIT-2PC APPLICATION REQD PRICE CHEVY GMC 88-98 (1) \$59.95

Heat Shield Kit is die cut to match the EVA Sound Deadener Kit for easy installation. Consists of

1/4" thick, 24 ounce needle punched jute padding on one side which insulates against heat and cold. The other side has 2 layers of fiber reinforced aluminum foil

reflecting up to 97% of radiant heat which helps to keep you warm in the winter and cool in the summer. PART

DESCRIPTION HEAT SHIELD KIT-2PC APPLICATION REOD PRICE CHEVY GMC 88-98 \$49.95

39-2775

Installation Tip: To reach the maximum level of sound dampening and insulation, use Multi-Purpose Insulation #38-2829 to cover any areas not protected by the EVA Sound Deadener and Heat Shield Kits. Use #38-0798 Spray Adhesive, #38-0792 Weatherstrip Adhesive and #38-0716 Aluminum Tape to install sound deadener, heat shield and insulation.

Kick Panel Carpet

Made from the highest quality 100% nylon cut pile material, these carpets are made to match the color of the Molded Carpet Sets.

Edges are finished with color coordinated vinyl trim. Easy installation.

Rubber Floor Mat Is One Piece Replacement for OE Mats

This is a full replacement of OE mats for 1/2 or 3/4 ton pickups and is one piece for easy installation. This Mat covers the entire floor and comes with padding. Call or go online and order today!

This all black Rubber Floor Mat is molded and ready to go.

Loctite Spray Adhesive dries clear with superior bonding strength. Excels at attaching upholstery cloth, carpeting, insulation and has many other uses. Not recommended for use on headliners.

APPLICATION

CHEVY GMC 88-98 (1)

Multi-Purpose Heat and Sound Insulation

Uses Space Age technology to insulate against heat, cold and noise under hoods, carpeting, headliners, door panels, firewalls or seats as well as other household uses. This 4-foot x 6-foot sheet is made of 3/8" sound deadening fiber padding. Highly reflective aluminum is bonded on one side to achieve 97% reflection of radiant heat. Use this Multi-Purpose Insulation with Sound Control Mat for maximum sound deadening. Call or go online and order both today! Use #38-0798 Spray Adhesive and #38-0716 Aluminum Tape or #38-0792 Weatherstrip Adhesive to easily install Insulation Material.

1/8" Thick Molded Industrial Polyvinyl (MIP) Floor Mats

Installation Tip: Allow mats to lay unfolded for 48 hours at room temperature of 72° or more to help remove creases caused by packing. Test fit prior to making any permanent installations (some trimming may be necessary).

Heavy-duty Molded Industrial Polyvinyl (MIP) Floor Mats are made of durable 1/8" thick industrial Polyvinyl and are resistant to moisture and temperature; therefore, they will not dry rot or crack and last longer than rubber. They are vacuum molded from the original floor pan to cover the entire floor, making installation easy.

Mats are easy to clean and protect your interior from water, snow, mud and most chemicals. The MIP Floor Mat includes pre-cut 36 ounce jute padding under the passenger areas to provide a higher level of insulation against heat, cold and road noise.

Floor Liners ... Tough and Durable Protection for Your Truck

Floor Liners protect your truck's carpet from water, snow, mud and most chemicals. Molded for an exact fit from a patented rubberized thermo-plastic material, guaranteed not to crack or break. Raised outer rim traps up to 2 gallons of liquid. Driver's side mat is equipped with an extra thick heel pad to offer heel protection and guard against wear in this high use area. Floor mats conform to the shape of your vehicle's floor and have an anti-slip back. Cleanup is easy, just wipe up small areas with a cloth or remove the mat and hose it off.

Dash Panel Assembly ... A New, Permanent and Economical **Solution to Your Cracked Dash**

1988-94 Chevy & GMC Truck

Finally, an economical solution to replace your unsightly cracked dash panel!

This new dash assembly has been developed exclusively by LMC Truck using improved heat-resistant thermoplastic compounds to resist shrinking and fading. Dash panel comes complete with the new plastic shell attached with rivets and screws to a zinc-plated metal frame as original.

Dash panel is painted in gray using paint mixed with an ultraviolet inhibitor to help prevent damage from the exposure to sunlight. Panel is ready to be prepped and painted to match your interior using ColorBond, shown on page 85.

The dash assembly includes the air duct sealed to the panel as original and ready to accept all your factory components.

TECH TIP: Includes installation tip instructions and hardware to reduce side gaps if required.

New Vintage USA Gauge Clusters

Period-styled and themed gauges for your truck. New Vintage USA gauge clusters easily interface with original engines as well as high-tech late-model engines, ignition systems, PCMs and speed sensors including GPS. High-tech mini-OLED displays give additional information with easy to read menus, set-up and programming features. Gauges have built-in performance timers, speed warnings and shift alert. Accepts additional auxiliary inputs without requiring separate modules. All parts are direct fit designs that fit the stock gauge mounting locations without any cutting or modification required. Made in Detroit, Michigan and backed by a 5-year warranty.

Each gauge cluster contains:

- Programmable speedometer (0-140 mph) with trip meter, hour meter and standard odometer.
- Tachometer (0-8,000 rpm), fuel, oil pressure, coolant temperature and voltmeter gauges.
- Sending units for oil pressure and coolant temperature.
- LED indicators for turn signals, check engine, high beam and a warning lamp.
- Easy-to-follow, detailed installation instructions are included.

DESCRIPTION ELECTRONIC FAN CONTROLLER RELAY W/SOCKET

Dakota Digital Electronic Fan Controller has a fully programmable "fan on" and "fan off" temperature (selection range is 150°F - 250°F) to suit any setup. Works with a dedicated temperature sending unit or operates from a sending unit already installed. LED temperature display for simple programming. Key-off run time adjustable from 0-5 minutes. Compatible with single, dual or single two-speed fan applications. 70A relay included, a second relay will be required for dual fan or two speed fan operation, sold separately.

APPLICATION \$128.95 30 AMP

Dakota Digital HDX Gauge Clusters

HDX Gauge Clusters add a modern look to your classic truck with a choice of black or silver alloy gauge-face styling. The built-in, capacitive-touch buttons let you easily change calibration and personal settings. Each needle hub is black nickel plated spunaluminum to match the face-mounted buttons.

The digital message center can be configured to display just about any piece of information needed. Over 30 user-selectable LED color options are available with 12 factory preset color themes. Fully lit color needles, back-lighted color faces and a full color message center are dimmable for driving at night. Each analog gauge sweep (except speedometer) contains a red LED indicator for quick indication of a warning condition. Gauge clusters can also be completely configured through Bluetooth with Dakota Digital's Android and Apple free mobile app.

Includes water temp, oil pressure, and speed sensors. Existing fuel sending unit can be used. Detailed installation instructions and operation manual included. Optional expansion accessories add functionality and allow additional gauge readings to be displayed.

White Face Gauge Overlays

Note: "A" For models with gauges.

"B" For models without tachometer

C" For models with 5,000 rpm tachometer and 80 lb. oil pressure gauge.

White Gauge Face Overlays are computer printed on vinyl and precut for a precise fit. They install easily over your stock gauge faces without removing the gauge needles and use the stock gauge lighting. No worries of broken needles or need for recalibrating gauges. Overlays will not wrinkle or bubble in hot or cold temperatures and can be removed with direct heat. Installation instructions included.

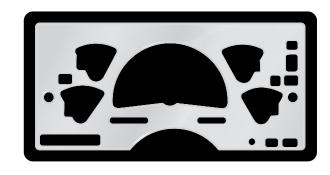

Polished Billet Style Instrument Cluster Cover

Polished billet aluminum instrument cluster cover is manufactured from the highest quality T-6 aircraft aluminum, resulting in a strong and durable product that requires little or no maintenance. Easy installation with double-sided tape included.

Highliner with Built-In Speakers ... For a Stereo System Above the Rest

Highliner uses four built-in, uniquely placed speakers which guarantee true stereo separation as well as less distortion and ensures clarity at lower volume levels by neutralizing the echo effect found in most pickups. Radio console is designed to accept optional aftermarket stereo cassette players, CD players or CB radios.

Highliner is manufactured from high-impact, leather-grained, black ABS plastic and can be painted to match the color of the interior. It installs easily and includes four 4" air suspension speakers with a 5.8 ounce magnet, which handles up to 10 watts of power. Features high-temperature resistant voice coils and comes with foam speaker baffle and suppression pads, antenna extension cable, bezel plate, installation hardware and instructions.

> Match the Color of Your Interior with ColorBond See Page 85.

PART DESCRIPTION 38-2047-BL HIGHLINER W/BUILT-IN SPEAKERS APPLICATION REQD STD CAB 88-98 (1) \$349.95*

*After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

Shelf-It™ ... The Ultimate in Organized Convenience

Shelf-It™ Available in Black or Gray

Shelf-It™ is ideal for storing items within reach but out of sight. It is made of heavy-duty extruded aluminum and features a durable, soft, velvet-like finish. Installation is easy; simply remove sun visors and install mounting brackets in the existing sun visor holes. Mount Shelf-It™ to the brackets and then attach sun visors to the Shelf-It™; no drilling required. Shelf-It™ will install and function on models equipped with dual visors (two sun visors on each side) if the accessory visors are not reattached.

Shelf-It™ will not work on models with overhead console.

CCESSORIES / COLORBOND

Now You Can Be Sure All Your Interior Colors Match

ColorBond permanently changes the color of your interior. Sprays on and dries to the touch in 45 seconds, forming a complete bond in 10 minutes. Original grain pattern is never altered or hidden, no matter how many times ColorBond is applied. Will not crack, flake, peel or rub off from solid or flexible materials because the color becomes part of the surface.

Black #37-8375

Blue #37-8382 Burgundy #37-8387

Dark Gray #37-8385

Dark Red #37-8384

Saddle #37-8381

ColorBond can be used on:

 Vinvl Leather

PVC

- Polyurethane Polycarbonate
- **ABS Plastic** Lexan
 - Acrylic

Prep/Cleaner should be used prior to applying ColorBond.

- · Recycled Plastics Carpet
- Cloth Upholstery

ColorBond is a semi-gloss finish that is OEM approved, UV stable and colorfast. Each 12 ounce can will cover 7 square feet. ColorBond

37-8396 12 oz Can \$16.95

ColorBond Satin Clear Coat provides a protective finish that won't wash off. Protects against fading, cracking and heat deterioration

37-8395 12 oz Can \$16.95

ColorBond Adhesion Promoter is required for the use of ColorBond on materials such as Polypropylene, Thermoplastic Elastomer, Polyolefin, Fiberglass and

Prep/Cleaner

37-8399 ColorBond Prep/Cleaner is a fast drying, 12 oz Can non-solvent, multi-surface cleaner. It cleans \$11.95 and prepares the surface for use of ColorBond.

Deluxe Bench Seat Console

Securely Fastens to Your Bench Seat

Bench Seat Console features oversized, dual adjustable cup holders, dense foam padded armrest, bottom mount strap for seat belt mounting, large rear storage area with built-in CD/cassette holder and smaller front storage area. Can also be used in the rear seat. Contents Not Included.

PART DESCRIPTION 38-0644-GR GRAY 16.5"L X 8.5"W X 9"H

Exterior Trim Paint

37-8361 Satin Black \$16.95

37-8364 Gloss Black \$16.95

> 37-8362 Silver \$16.95

ColorBond Exterior Trim Paint has all the innovative features of ColorBond Interior Paint but is specially formulated to provide a stronger, more durable bond for exterior trim use. Exterior Trim Paint delivers a superior finish to exterior trim plastics and painted metal trim including: bumpers, mirrors, fender flares, wiper arms and window trim. Each 12 ounce can covers 6 square feet. Use ColorBond Adhesion Promoter #37-8395 prior to application for a long-lasting finish.

Spitshine Tire Black and Silver Rally Wheel Paint ... Bring Back the Shine

37-8370

specially formulated paint, not a clear silicone 37-8365 dressing, designed to restore a military shine \$16.95 to faded and scuffed tires for a minimum

of two months. Spitshine is not greasy or tacky, so it won't attract unsightly dirt and dust. Each 12 ounce can is easy to apply; first, clean tires of any existing dressings, silicones and dirt with ColorBond Prep/Cleaner. Mask the wheel or rim and apply in light coats. Reapply Spitshine Tire Black if tires become scuffed.

Not for use on tires with white lettering or sidewalls.

ColorBond Rally Wheel Paint is a specially formulated acrylic lacguer that provides a brilliant silver finish to the original rally wheels and withstands temperatures up to 250°F. Each 12 ounce can covers 6 square feet. ColorBond Prep/Cleaner should be used prior to applying ColorBond.

Black Underhood Paint

\$16.95

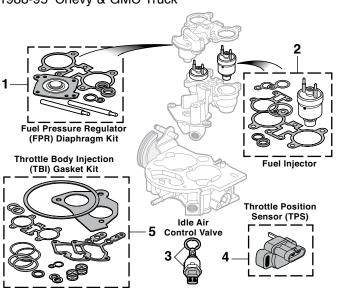

Black Underhood Paint's specially formulated acrylic lacquer restores the finish of brackets, core supports, heater boxes and all underhood components. Withstands temperatures up to 250°F but is not designed to be applied to engine, manifolds or headers. 12 ounce can covers 6 square feet. Call or go online and order yours today!

NotcHead Line Clamps

NotcHead Line Clamps organize both hard and soft lines and clamp them in place to keep from being chafed on sharp edges or crushed under moving components. Easily secure lines without marring paint. Can also be used as separators for running hoses in parallel by bolting two line clamps together. Flexible lines easily snap in for quick installation and mock-ups. Mounting hardware included in each kit.

Fuel Pump Module and Relocation Kit

1994-98 Chevy & GMC Truck

Fuel Pump Module Relocation Kit moves the fuel module up to 6 feet away from the injector pump to protect it from high temperatures and vibration, which can cause hard starting, stalling and hesitation. An aluminum heat sink mounts to the module to protect the sensitive electronics from excessive heat. Mounting hardware included.

Chromed Billet Leather Front Steering Wheel ... The Best of Both Worlds

Back View

These 14" steering wheels feature four slotted spokes and a 3-3/4" dish and are manufactured from billet aluminum then chromed for a mirror finish.

The front of the rim is wrapped in a seamless single piece of leather and mounted to the wheel. The back of the wheel is chromed billet with contoured finger notches.

Steering wheel includes chromed billet installation kit and horn button that covers all mounting bolts. One kit includes everything needed to mount this steering wheel.

DESCRIPTION CHROMED BILLET STEERING WHEEL PART 38-1190 APPLICATION REQD CHEVY GMC 88-94 (1)

Premium Leather Wrapped Billet Steering Wheel

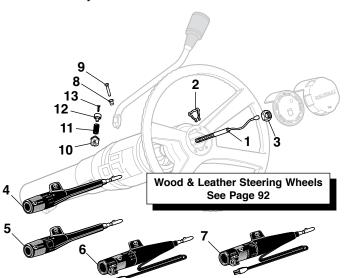

These 14-3/4" diameter, 3 spoke steering wheels have a full handstitched leather wrap to provide a true premium feel. Each wheel features a black anodized wheel center with polished accents, a licensed steering wheel horn button and a full installation kit.

Steering Wheel Puller

Steering Wheel Puller features forged, milled yoke and center screw with pointed/removable adaptor. Includes five sets of bolts in standard and metric sizes. Can also be used to remove pulleys, flanges and gears.

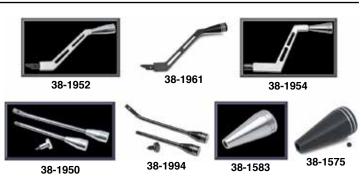

DESCRIPTION STEERING WHEEL PULLER

Billet Steering Column Accessories

Billet aluminum parts are manufactured from the highest quality T-6 aircraft aluminum, resulting in strong and durable products that require little or no maintenance.

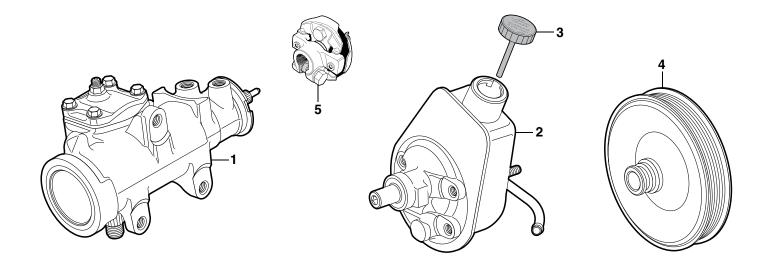

Three piece Billet Column Kit #38-1950 includes turn signal lever, tilt wheel lever and emergency flasher knob.

Steering Controls - 4 Wheel Drive

A Steering Stabilizer Kit is basically a horizontal shock absorber that helps to stabilize the steering system. The kit not only helps to stabilize the steering, but can also help in the prevention of "Bump Steer", when the steering wheel jerks suddenly as a result of hitting a pothole or object in your path. These kits will also help to reduce normal wear on vital suspension pieces, and make tires last longer. This kit is especially helpful for trucks whose original equipment tires have been replaced by larger or wider ones.

Steering Wheels and Horn Buttons

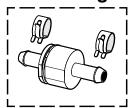

The Wood Steering Wheel has been stained a rich mahogany color and urethane-coated for better heat resistance and long life.

For More Information See Page 92

STEERING

In-Line Power Steering Filter Helps Prevent Power Steering Failure

Power Steering Filter is a serviceable magnetic filter element that helps prevent contamination from dangerous metal particles and installs easily in the return hose of the power steering pump. Measures 1-1/4" diameter x 3" long and fits power steering return hoses with a 3/8" inner diameter. Check yours before ordering. Includes hose clamps and instructions.

PART DESCRIPTION APPLICATION REQD PRICE 32-1961 POWER STEERING FILTER ALUMINUM (1) \$21.95

Replacement Steering Shaft

1995-98 Chevy & GMC Truck

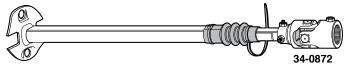

DESCRIPTION STEERING SHAFT ASSEMBLY APPLICATION CHEVY GMC 95-98

Heavy-Duty Steering Shaft Assembly

1992-94 Chevy & GMC Truck

11

Heavy-Duty Steering Shaft Assemblies are made from chrome moly steel billets and incorporate needle bearings for precise road handling. The universal joint uses sealed, permanently lubricated needle bearings making it maintenance free. This Assembly adds a measure of safety to the steering system with needle bearing U-joints and a telescoping shaft. If there is play in the steering system, your truck will have loose and vague steering. You may feel a looseness when you hit a bump or truck may wander in crosswinds. Order yours

Proudly made in the USA and carries a Five-Year/50,000 Mile Warranty (whichever comes first) against defects in materials and workmanship.

SUSPENSION / TRUCK DOLLY SET

Shock Absorbers ... Driving Control, Even Ride and Performance Handling

Gas-A-Just Shock Absorbers: Features higher gas pressure to

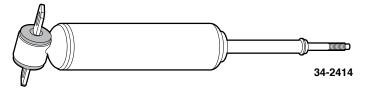

provide unsurpassed control on even the most demanding roads. Eliminates the age old problem of performance fade by eliminating aeration and foaming, a problem with other shocks that use two-tube construction that allows air to mix with fluid.

GR-2 Gas Shock Absorbers: Features lower pressure for riding comfort with improved handling and response only gas shocks can provide at an economical price. The economical way to step up from hydraulic shocks to the quality ride and control of gas.

Front Leveling Kit ... For Better Looks and Larger Tires

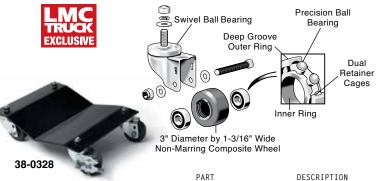

Front Leveling Kit lifts the front of a truck to match the rear for an improved level height and look. Adding a Front Leveling Kit is inexpensive and gives the extra space needed to accommodate larger tires on a truck. A modest front lift still maintains the factory ride quality and won't affect steering or suspension. Quick and easy bolton installation, the kit is designed to work with the original suspension with no need to change other components. Allows installation of up to 32" tires.

Front Axle Actuator Eliminator

1988-98 Chevy & GMC Truck

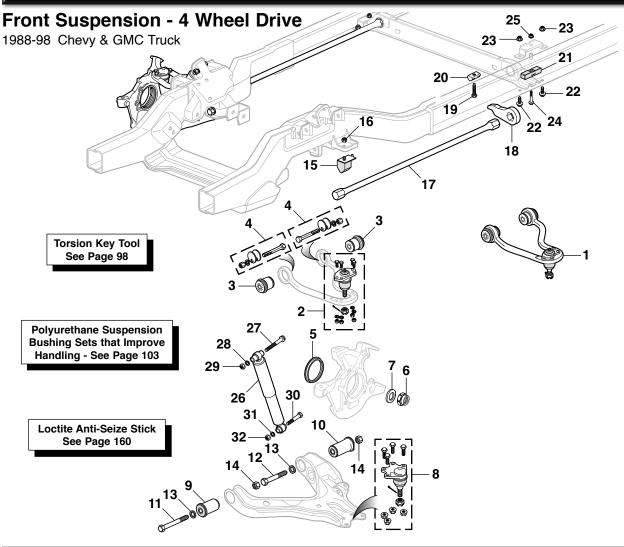

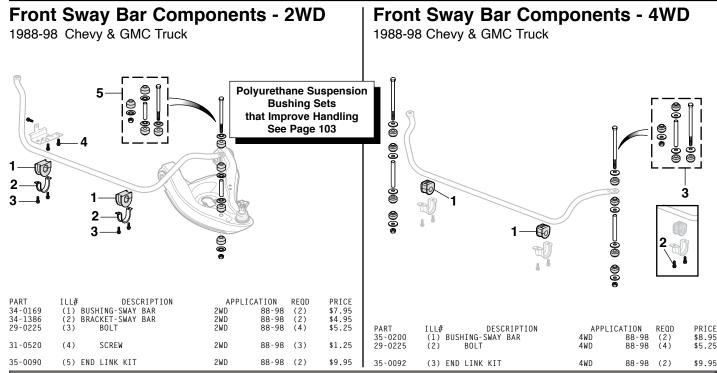

Four-wheel drive when you need it. With the actuator eliminator installed, the front driveline will turn anytime your front wheels are in motion, thus eliminating the lag time associated with thermal actuators and the need for forward motion to engage the 4WD system. The 4WD operating mode is still engaged and disengaged at the transfer case, on demand, by the driver. Call or go online and order yours today!

PART DESCRIPTION PRICE 37-0791 AXLE ACTUATOR ELIMINATOR"A" \$159.95

Note: "A" Fits models with thermal actuator.

Polyurethane Transmission Mounts

Transmission Mounts are soft enough for smooth operation on the street, yet strong enough for use at the drag strip, off-road and circle track.

#34-0360 has a unique built in safety locking feature for added confidence. This Transmission Mount will work for trucks that have a single stud that mounts to the crossmember or two studs that mount to the crossmember.

OWERING ACCESSO

Body Lift Kit ... Makes Room for Larger Tires

Read This: Installation of a body lift will change the center of gravity and the handling characteristics of the vehicle. Because of the higher center of gravity and larger tires, the vehicle will handle and react differently both on and off road. You must drive it safely! Extreme care must be taken to prevent vehicle rollover or loss of control, which could result in serious injury or death. Avoid sudden sharp turns or abrupt maneuvers and always make sure all vehicle occupants have their seat belts fastened.

KYB Shock Absorbers See Page 98

A Body Lift spaces the body away from the frame to make room for larger tires without altering the suspension. Body Lift Kit includes reinforced nylon spacers, compression tested to 50,000 psi and plated grade 5 hardware. Since the stock suspension is not affected, and larger tires are normally part of the plan, new shocks are recommended.

| PART 37-6503 37-6504 | BODY LIFT "A"B" 3" BODY LIFT "B"C"D" | APPLICATION CHEVY GMC 88-94 CHEVY GMC 95-98 | (1) \$259.95 |

Note: "A" Requires front bumper bracket kit #37-6540, sold separately.

- Will not fit models equipped with diesel engine.
- "C" Front bumper brackets are included.
- Includes steering shaft extension.
- Rear bumper brackets are to enhance appearance only, bumper cannot be used for towing.

Drop Spindle Sets

Order Parts Needed for Desired Drop See Page 105

Drop Spindles are the best way to lower the front of a truck without changing or affecting other components. Original ride quality and suspension geometry are maintained.

| PART | DESCRIPTION | | APPLICA | ATION | REQD | PRICE |
|---------|---------------------|-----|----------|-------|------|----------|
| 37-8507 | DROP SPINDLE SET-2" | "A" | 2WD 1/2T | 88-91 | (1) | \$289.95 |
| 37-8508 | DROP SPINDLE SET-2" | "B" | 2WD 1/2T | 88-98 | (1) | \$289.95 |

Note: "A" For models equipped with 1" wide front brake rotors.

"B" For models equipped with 1-1/4" wide front brake rotors.

Drop Shocks ... For Lowered Trucks

If dropping the front of a truck 2" or more with coil springs then shorter front shocks are needed. Drop Spindles do not affect suspension and do not require shorter shocks. If dropping the rear 4" or more then shorter rear shocks are needed.

| PART | | DESCRIPTION | APPLIC | ATION | REQD | PRICE |
|---------|------|-------------|----------|-------|------|---------|
| 37-8582 | DROP | SHOCK-FRONT | 2WD 1/2T | 88-98 | (2) | \$59.95 |

Drop Shackles and Spring Hangers

The Drop Shackle Set lowers the rear of your truck 1" or 2". This is the simplest way to lower the rear and is an easy way to make your truck look more level.

The Drop Spring Hanger Set replaces the original front hangers and drops the rear of your truck an additional 2". Combined with the Drop Shackle Set, you can drop the truck a total of 3" to 4". If you are dropping the rear 4" or more then you need shorter rear drop shocks listed below.

| PART | DESCRIPTION | | APPLICA | ATION | REQD | PRICE |
|---------|---------------------------|-------|----------|-------|------|----------|
| 37-8528 | DROP SHACKLE SET-1"-2" | REAR | 2WD 1/2T | 88-98 | (1) | \$36.95 |
| 37-8527 | DROP SPRING HANGER SET-2" | FRONT | 2WD 1/2T | 88-98 | (1) | \$139.95 |

Drop Coil Spring Sets

Drop Coil Springs are a quick and easy way to lower a truck. Use just coils or combine with Drop Spindles for an even lower ride. If dropping the front of a truck 2" or more with coil springs then shorter front shocks are needed.

| PART | | DESCRIPTION | | | | APPLICATION | | | PRICE |
|---------|-----------|-------------|--------|-------|-----|-------------|-------|-----|----------|
| 37-8517 | DROP COIL | SPRING | SET-1" | FRONT | 2WD | 1/2T | 88-98 | (1) | \$169.95 |
| 37-8518 | DROP COIL | SPRING | SET-2" | FRONT | 2WD | 1/2T | 88-98 | (1) | \$169.95 |

Axle Flip Kit and Frame C-Notch Kit

DESCRIPTION APPLICATION PRICE 37-8537 AXLE FLIP KIT-6" DROP \$139.95 37-8538 FRAME C-NOTCH KIT 2WD 1/2T 88-98 \$149.95 37-8547 CARRIER BEARNG RELOCATOR EXT CAB 2WD 1/2T 88-98 \$39.95

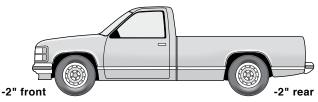

The Axle Flip Kit repositions the rear leaf spring below the axle for a 6" drop. You will also need the Frame C-Notch Kit for suspension travel. The C-Notch Kit requires cutting and drilling your frame. If you have an extended cab you will also need the Carrier Bearing Relocator. If you are dropping the rear 4" or more then you need shorter rear drop shocks.

LOWERING ACCESSORIES

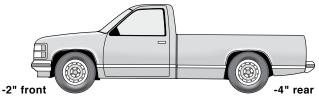

3 Ways to Lower Your Truck

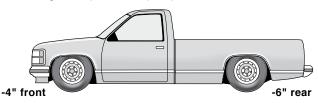

Drop is based on the original factory ride height as measured from the top of the wheel arch to the ground. Original ride height is approximately 2" higher in the rear. The stance (difference in height between the front and rear) is not affected when you lower the front and rear an equal amount. To make your truck look level you need to lower the rear approximately 2" more than the front.

LOWER - Lower your truck with shorter Drop Coil Springs in the front and Spring Shackles in the rear. This is the most economical way to lower your truck.

DROP - Drop the front of your truck with Drop Spindles and the rear with Spring Hangers and Shackles. Drop Spindles are the best way to lower your truck because they do not affect other suspension components. Original front suspension geometry and ride quality are maintained.

SLAM - Combine Drop Spindles and Springs in the front with an Axle Flip Kit and C-Notch in the rear to take your truck as low as possible. We have the parts you need to slam your truck for a great look and a smooth ride. Take your truck to the maximum possible "lowness".

Stainless Steel Brake Hose Sets

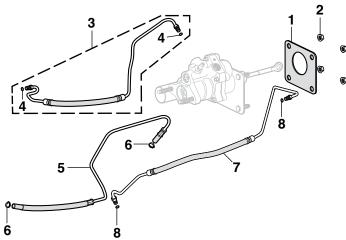

PART DESCRIPTION 34-4582 STAINLESS BRAKE HOSE SET 34-4586 STAINLESS BRAKE HOSE SET Stainless Steel Brake Hoses feature stainless steel braided hose with factory assembled, zinc-plated fittings. These hoses increase braking performance and reduce pedal travel by eliminating hose expansion common to rubber hoses. Each set comes with all necessary hardware and fittings.

APPLICATION REOD PRICE
"A" 2WD 88-98 (1) \$99.95
"A" 4WD 88-98 (1) \$99.95

Note: "A" Does not fit models with production option C6P, 8,600 lb. GVW.

TRANSMISSION

PERFECT TORC Transmission

Controller Made in the USA.

The PERFECT TORC Transmission Controller is the stand-alone electronic transmission control unit you've been waiting for. Installation and initial setup is easy, and the controller is supplied with base calibrations for your transmission type, so you can be

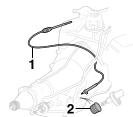

up and running immediately after installation. The PERFECT TORC Transmission Controller can be tuned using the provided calibration software and a Windows-based laptop, and basic tuning options are available without ever plugging into a laptop. With a digital display, two separate shift tables, and the ability to perform on-the-fly calibrations, the ultra-reliable and vibration-resistant controller supports paddle and simple push button shifting. The system is designed to work seamlessly with GM 4L60/65E and 4L80/85E transmissions on fuelinjected, carbureted, and diesel engines.

Note: GM 4L60E transmission must be 1996 or newer. GM 4L80E transmissions must be 1995 or newer.

Front Differential Cable Lock Kit ... Cures Slow to No-engagement Blues!

Works like hubs with full control from inside the cab without stopping, in any temperature. Will not disengage when ignition is turned off or if differential is submerged in mud, water or snow. Two-wheel drive low range benefits from bind-free steering AND high rear axle torque. This feature is not available with factory systems and is beneficial when maneuvering trailers. Reduces front differential wear and right axle breakage.

The factory system uses a TLA (Thermal Linear Actuator) to engage the front axle, which is a heat-activated plunger that is prone to failure and takes longer to engage when cold outside. Differential Lock Kit replaces the TLA with a cable-operated system, guaranteeing fourwheel drive engagement every time. A one-inch pull of the Differential Lock Kit cable ensures having four-wheel drive when needed.

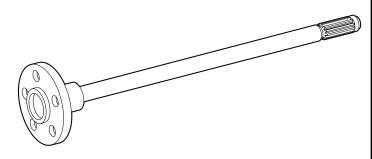

Differential Lock Kit is compatible with manually (lever) or electrically (push button) engaged transfer cases. Easily installed in one to two hours with basic hand tools. No internal axle or differential work required.

4WD Transfer Case Components

Transfer case chains can stretch due to heavy use or high mileage and cause damage to the transfer case housing increasing the chance of expensive repairs.

Transfer case shift fork pads allow smooth shifting between 2WD and 4WD modes by engaging the shift collars inside the transfer case. Pad failure can prevent shifting between drive modes, possibly damaging the gears inside the transfer case.

Switch-Ball™ Set

Switch-Ball™ Set - Constructed from premium grade steel with nickel-chrome plating, the Switch-Ball™ Set has an exclusive 'J' Groove design that ensures that the ball is installed on the shank and engaged by a coupler, making the hitching system safe and secure. Weight bearing capacity rests on shank to relieve stress away from the ball, thus freeing the coupler from friction and binding for a smoother and safer towing.

Change between three different trailer hitch ball sizes quickly and easily. No attachment pin to remove or tools required to switch ball sizes. Weight ratings for each hitch ball size are: 1-7/8" = 3,500 lbs., 2" = 6,000 lbs. and 2-5/16" = 8,000 lbs.

PART DESCRIPTION APPLICATION REQD PRICE 37-7433 SWITCH-BALL SET CHEVY GMC (1) \$49.95

Billet Hitch Covers

Billet Hitch Covers are made from high-quality T-6 aircraft aluminum and are designed to fit any 2" receiver hitch. Officially licensed by General Motors Corporation. Available in a polished or black anodized finish. Hitch pin sold separately.

Oil Pumps

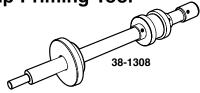

1988-94 Chevy & GMC Truck

APPLICATION 4.3L 5.0L 5.7L 88-94 PART 30-7522 PRICE \$39.95 DESCRIPTION "A" OIL PUMP

Note: "A" Pump has a 5/8" diameter inlet tube.

Oil Pump Priming Tool

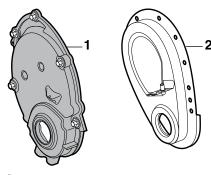

Before starting a new or rebuilt motor for the first time, it's critical to prime the lubricating system to prevent premature wear. Failure to pressurize the oil could result in a dry start that can cause camshaft, bearing and/or piston ring failure. An Oil Pump Priming Tool makes this process easy - just remove the distributor, insert the priming tool and turn it clockwise with a 3/8" drill. The tool has a machined aluminum collar that simulates the distributor and helps to eliminate damaging side loading of the oil pump drive while priming.

Front Engine Mount Insert

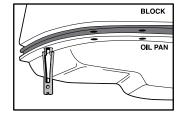

Hyper-Flex performance polyurethane mounts insert into existing metal shells. Must reuse existing outer shells and drill out welds or rivets to separate for installation.
#34-0382 is 3 bolt style.

Oil Pan Snap-Ups

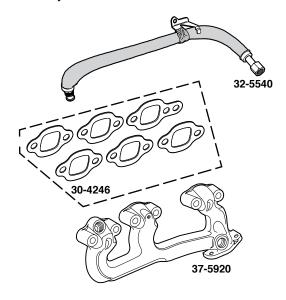

Oil Pan Snap-Ups hold the oil pan in position and line up the mounting holes, saving you the trouble of trying to get the bolt threads started to hold the pan up. It saves time and frustration by holding oil pan and gasket in place for quick and easy bolt installation.

Harmonic Balancer, Puller and Installer

1988-98 Chevy & GMC Truck

Harmonic Balancer Puller

Removes harmonic balancer from engine without risk of damage. Four-slot, heavy-duty yoke handles any pulling job. Extra-long center screw is machined for use with included adaptor tip that centers puller on crankshaft for quick and damage-free removal. Includes five sets of hardened, flange-head bolts in standard and metric thread sizes for most engines. Order today!

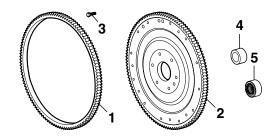

Harmonic Balancer Installer

Threaded forcing screw uses a bearing to easily slide harmonic balancer into place. Includes five standard and seven metric threaded adaptors for use on a wide range of engines.

Polished Aluminum Master Cylinder

Upgrade a stock master cylinder to a show-quality Polished Aluminum Master Cylinder that integrates the master cylinder, proportioning valve and metering valve all in one component that performs as good as it looks. This master cylinder has a 1-1/8" bore and is best suited for power brake applications. Brake Bleeding Syringe is available to make the installation of this Master Cylinder easier.

Serpentine Drive Systems are the cleanest and easiest way to mount accessories to your engine. Compact aluminum design offers improved clearance allowing for numerous cylinder head and intake manifold configurations. Made in the USA.

Kits include:

- Aluminum water pump
- 140 amp, 1 wire alternator Sanden "peanut" style A/C compressor
- Type II (remote reservoir) power steering pump
 Power steering reservoir, bracket and mounting hardware
- Serpentine belt and tensioner
- Fluidampr® harmonic balancer
- Finished matched accessory brackets, pulleys and tensioner cover
- Stainless steel hardware
- Fully illustrated step-by-step instructions

ENGINE

Throttle Cable Bracket

Ideal for use in vehicles that have undergone engine and/or transmission swaps. Fits 1995 and earlier GM small block and big block V8 engines. Includes provisions for throttle, detent/throttle valve and cruise control cables. It mounts using the two rear intake manifold bolts and is adjustable for use with varying cable lengths and intake manifold heights. Call or go online and order yours today!

Throttle Body Spacer

Improve performance and fuel economy ... The Throttle Body Spacer causes the fuel to travel further, which improves fuel dispersion making it easier for the fuel to ignite and burn thoroughly. Receive increased throttle response, a 10-15% improvement in torque and gas mileage increase of up to 8%. Easily installs between intake manifold and throttle body injection unit. Will not affect computer function.

Fuel Line Extension Set lengthens the fuel lines and is recommended for easier installation of throttle body spacers.

Powr-Flo Throttle Body Spacers product

PART

PRICE

Powr-Flo Throttle Body Spacers are CNC-machined from billet aluminum and feature a bore engineered to increase velocity of airflow into intake manifold. This allows more air to reach combustion chamber for denser air charge and increase in fuel efficiency. The result is improved throttle response and power gains in mid-range and upper rpm operating ranges. Includes gaskets, hardware and instructions for a simple, bolt-on installation with no other vehicle modifications required.

JET Adjustable Fuel Pressure Regulator Kit

The JET Performance Adjustable Fuel Pressure Regulator Kit is a direct replacement for the factory unit and contains a billet adjustable fuel pressure regulator with a steel insert on the adjuster to prevent stripped threads. Includes all necessary gaskets and a heavy-duty replacement diaphragm. The fuel pressure regulator kit allows for precise tuning of fuel pressure to accompany other performance modifications such as performance air filters, air intake kits, exhaust system modifications, throttle body spacers, performance camshafts and intake manifold upgrades, etc. Restores lost performance due to a worn out stock regulator. Kit reuses factory spring

DESCRIPTION APPLICATION REQUADJ FUEL PRESSURE REGULATOR KIT TBI GAS 88-95 (1) PRICE 38-1937

JET Performance Powr-Flo Mass Air Flow Sensors

The JET Performance Powr-Flo Mass Air Flow Sensor delivers improved horsepower, torque and mileage by simply replacing the restrictive stock mass air flow sensor. JET Performance's flow benchtested design provides up to a 45% increase in airflow. Sensors require no additional vehicle modifications and are fully compatible with other performance upgrades such as performance air filters, air intake kits, exhaust system modifications and throttle body spacers. Quick, easy installation.

PERFORMANCE EXHAUST

36-6080

Shorty Headers are an easy, bolton installation that connects to stock Y-pipes and adds power and performance to your truck. They are made from mandrel-bent, 16-gauge tubing for durability and feature milled CNC-machined thick steel flanges for a better seal.

The ARMOR Coat finish is a hightemp, metallic-ceramic coating that won't discolor like paint, chrome or dull finish coatings; it reduces under-hood temperatures, resists corrosion and is easy to keep clean.

Disposable Black Nitrile Gloves

Gloves feature a fully textured finish for better grip with a two-ply construction that is tough enough to withstand exposure to grease, solvents and oil. Sold as a box of 100.

Header Wrap

Increase performance by keeping hot exhaust gasses inside the headers for maximum velocity, improved exhaust scavenging and protecting sensitive engine components from high temperatures.

Header Wrap is able to withstand temperatures up to 1,200°F and is made from vermiculite-coated, textured fiberglass yarn woven into a strong, flexible wrap that can easily be cut with scissors.

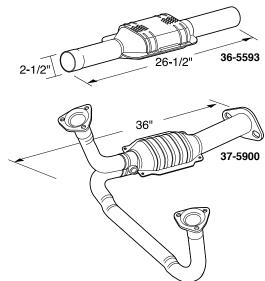

Available in 25 or 50 foot rolls of 1" or 2" widths. Two 50 foot rolls of 2" wide are generally enough to wrap standard V8 headers. Stainless steel locking cable ties keep the wrap securely in place. Header Wrap can void warranty of some headers. Check header manufacturer's warranty before installing.

Headers with tight bends should use 1" wide wrap for coverage. Overlap wrap 1/4" for optimum heat dissipation.

| 38-4893 | 33.5"W X 17"H X 3.9"D | 2 X 225 watt | 4320 | 34.5 |

Dual Electric Cooling Fan Assembly provides increased horsepower and improved MPG. Electric fans provide increased cooling at idle when needed most and eliminate the draw of a mechanical enginedriven fan. Increased airflow across A/C condenser gives cooler, more consistent A/C temperatures at low engine speeds.

Dual Electric Fan Assemblies have a guiet S-blade design and include a wiring harness, relay, adjustable fan temperature switch, mounting brackets and installation instructions.

A/C Cooling Fan Harness activates the electric cooling fan when the A/C compressor clutch is engaged. Kit includes heavy-gauge wire harness, relay, 30 amp fuse, electrical connections and installation instructions.

Radiator Core Size: The height and width of the central part of the radiator, between the tanks and the side pieces. Consists of parallel rows of tubes and fins.

Rows: The number of rows refers to the number of parallel rows of tubes in the core.

Engine Oil Coolers: Some models were originally equipped with an Engine Oil Cooler mounted in the radiator. On models not originally equipped with an Engine Oil Cooler, the oil cooler portion of the radiator is simply not used.

Core Refund Information - A/C Compressor: A rebuildable core will have no cracks or other damage to the case or mounting locations. The drive shaft of the compressor must turn at least three full revolutions. There must be some degree of suction and discharge pressure present, this can be checked by covering the suction and discharge ports with your fingers while rotating the compressor shaft. If it does not meet the above standards, it is not rebuildable and will not be refunded. DO NOT send a non-rebuildable core.

Thermal Spark Plug Boot Sleeve Set

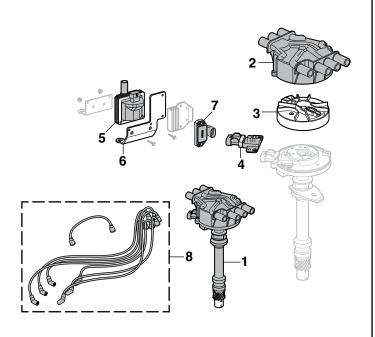

Thermal Spark Plug Boot Sleeves provide thermal protection against hot exhaust headers. Double-layer gray fiberglass sleeves are non-conductive and can directly contact hot surfaces without harmful effects. Chemically-resistant 3/4" diameter braided sleeves easily slip over any spark plug wire and boot configuration to protect from temperatures up to 1200°F. Call or go online and order yours today!

Heated Windshield Washer Kit

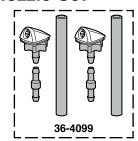

Heat your washer fluid to a temperature of 125-135°F for quick, effortless removal of frost, snow and ice this winter. Provides improved visibility for all driving conditions, while extending the

service life of your windshield wipers by minimizing unnecessary wear. Ensures clog-free wiper spray nozzles for consistent spray pattern. Can also be used year-round to remove bird droppings, bugs, grime, road film and streaks.

Installs inline between windshield washer reservoir and spray nozzles. Connects directly to your battery with the included ground cable and fused power cable. Order yours today and see what a difference the Heated Windshield Washer Kit can make! Kit includes mounting bracket, hardware and instructions.

Many electrical problems can be traced to poor engine and body ground. Protect yourself from these problems by installing a ground strap between the engine and frame of your truck, this will ensure you have a proper ground for your coil, spark plugs and computer control module. For complete protection, add a ground strap from the frame to the body. Straps are made of tin coated stranded copper braid for durability and are simple to install.

LAMPS / ELECTRICAL

Underhood Lamp Kit

Underhood Lamp Kit adapts to any 12 volt truck and helps illuminate the engine bay. Necessary installation hardware is included. No need for wiring to a switch, bulb socket base is gravity activated; lamp comes on when hood is raised and goes out when lowered. Mount underneath hood and

connect lamp wire to any constant hot vehicle wire. Moisture proof in-line fuse is integrated into wire for protection.

Installation Tip: Since all hoods and mounting locations are different, a slight adjustment to mounting bracket may be needed to assure light goes out when hood is closed. After mounting bracket and wires have been installed, apply pressure to the mounting bracket to change the angle as needed.

Underhood Light - Fixed Type

1988-98 Chevy & GMC Truck

Driving Light Set

Driving lights provide a longer, more focused beam pattern for improved long-range vision. Features include reinforced steel housing with black finish and adjustable chrome mounting bracket with 10mm mounting stud; and state-of-the-art reflector which gives maximum light output from a 4-1/2" diameter light. Lights are complete with illuminated push button switch, 12-volt relay, all necessary wiring, mounting hardware, protective lens covers and high efficiency halogen 12V 55W replaceable bulbs.

For added style, replace the white halogen bulb with a halogen blue-coated bulb. The blue-coated bulb creates an intense white light which gives the cool look of HID (high intensity discharge) lighting without the high price.

Superwhite Bulb Set Produces 30% More Light

Superwhite headlight bulbs produce 30% more light while retaining the street legal wattage. Superwhite bulbs use a proprietary mixture of premium gases that includes Xenon, which cools the light filament, improving the efficiency and light output of the bulb, unlike standard halogen bulbs which use less efficient argon gas.

Superwhite bulbs operate in the Kelvin color temperature range of 4000-4200K, producing a brighter, white light. Traditional halogen bulbs operate at 2600-3000K, emitting a more yellowish appearance. Sold in sets of two. Call or go online and order yours today!

LED Third Brake/Cargo Light ... The Future of Automotive Lighting

37-4589 Lighted

New technology previously available only on high-end luxury cars is now available for trucks! This third brake light quickly alerts other drivers of your intentions with LED bulbs that illuminate 140 times faster than conventional incandescent bulbs, which translates to a gain of 20+ feet of reaction distance.

Additional LED benefits:

LED lights have no filament, which means they are less sensitive to vibrations and can last up to 20,000 hours. They use only 15% of the energy required by incandescent bulbs, reducing the load placed on your truck's charging system, and less heat is emitted.

LED Third Brake/Cargo Light is a direct replacement for stock unit and is made to factory specifications. No modifications needed. Features LEDs for brake and cargo lights.

Features LEDs for brake and cargo lights.

Headlight Protection Film

Headlight Protection Film is made from scratch-resistant, 30-mil thick press-polished PVC material that features a UV inhibitor to prevent shrinking and discoloration, combined with the strongest clear adhesive available for maximum durability and distortion-free light transmission. Proven to withstand a barrage of 1" diameter stones at speeds up to 120 mph with no damage to lens. Kit contains precut film, installation squeegee and instructions. Without cutouts for headlight alignment pins where equipped.

Custom Tail Light Sets

Custom Tail Light Sets feature uniquely styled lenses for a cool custom look and are fully DOT compliant. Parts #37-7292, #37-7293 and #37-4611 utilize a special molded housing that eliminates the use of the factory circuit boards. The housings on parts #37-7321, #37-7322 and #37-7323 retain the provision for circuit boards.

Custom Tail Light Sets are an easy replacement for your stock tail lights. Order yours today!

TUTCO LED Blade Tailgate Light ... Over 2,000 LEDs for a Distinctive Look

Red LED Blade Brake Light

Amber LED Blade Turn Signal Light

White LED Blade Reverse Light

Tailgate Light

Blade Tailgate Light features over 2,000 high-power COB (chip on board) LEDs that increase safety with distinctive red running and brake lights, amber turn signals and white reverse lights.

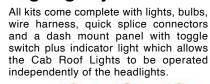

Blade Tailgate Light features a fully encapsulated tinted polycarbonate housing and is IP69K rated, to be fully sealed from weather, dust and water.

Includes a four-prong wiring harness for easy hook up to a receiver hitch.

Cab Roof Light Kits ... Add Visibility and Big Rig Style

Cab Roof Light Kits are available in amber or clear. Kits meet SAE specifications when used with included bulbs. The two outside lights (clearance lights) and three inner ones (marker lights) give oncoming traffic a visual fix on the truck for additional safety.

Underhood Lamp Kit

HIGH BEAM HEADLIGHT RELAY REPLACEMENT RELAY

DESCRIPTION

Underhood Lamp Kit adapts to any 12 volt truck and helps illuminate the engine bay. Necessary installation hardware is included. No need for wiring to a switch, bulb socket base is gravity activated; lamp comes on when hood is raised and goes out when lowered. Mount underneath hood and connect lamp wire to any constant hot vehicle wire. Moisture proof in-line fuse is integrated into wire for protection.

Installation Tip: Since all hoods and mounting locations are different, a slight adjustment to mounting bracket may be needed to assure light goes out when hood is closed. After mounting bracket and wires have been installed, apply pressure to the mounting bracket to change the angle as needed.

TRUCK CARE / COOLERS

LMC Truck Cover ... Who Knew Protecting Your Vehicle's Finish

Could Be So Inexpensive!

LMC universal fit truck covers provide protection from the elements and are not affected by temperature extremes. In summer a cover keeps the interior cooler and helps protect from the sun's damaging rays, which can cause fading and deterioration. In winter it can keep the snow and ice off your glass and finish.

Fabric will not stretch, shrink, rot or mildew. Elastic is sewn in front and rear hems to ensure snug fit. Call or go online and order your truck cover today.

Antenna must be removed or an antenna grommet attached to your cover before use. See below for more information on antenna grommet.

\$99.95

LMC 1000 GOOD

\$59.95 each

For Moderate Weather Conditions

Durable synthetic fabric has the look and feel of more expensive covers. Water resistant, yet breathable and features double-stitched seams for maximum strength.

What You Need to Know Before Ordering:

We are excited that you've decided to make us a part of your journey! Whether you are rebuilding from the ground up or just adding some distinctive touches to your vehicle, we are proud to give you a hand.

In addition, we'd love to see what you've been up to with your projects, so please log on to Imctrucklife.com and share your stories and pictures.

Understand that we are not trained automotive technicians. We want you to consult with mechanics regarding technical advice. Technical information is also included in the workshop manuals shown in this catalog. Please take the time to consult these resources if you feel you need to.

On those occasions that we've run out of a part on your order, chances are that it's already on its way to us. These items are listed as backordered on your invoice and will be sent your way as soon as possible. If you're not interested in waiting for your backordered product, just call our customer service line at (800) 222-5664, and we will cancel it and refund any money that has been paid.

You can also write "No Backorders" on your order form before you send it to us, and we'll make sure only to ship the products we currently have in stock.

Some parts have extra charges. Please consult below to make sure you understand these charges and so you aren't surprised later.

Part Number Definitions

- -T After a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of 48 states will be quoted. Due to packing and/or transportation requirements, please allow additional time for delivery.
- * After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.
- -Z After a part number means Remanufactured Part. Core charge will be applied then refunded after receipt of a rebuildable core.
- -R After a part number means Remanufactured Part. No core charge.

And one more thing, the part our lawyers make us say: We reserve the right to refuse service or shipment to anyone. We reserve the right to collect a service charge of \$20 for a returned check and to hold any shipments until the fee is collected.

Thank you for your support. Best of luck with all your projects!

What You Need to Know Before Returning:

If only we lived in a perfect world! Unfortunately, we don't, and things can go wrong. When that happens, we do our best to try to make things right again. But we need your help as well.

All returns must be in like new condition and in the original packaging. Please include a copy of your invoice, as that will make the process quick and easy.

We refund your payment the same way you paid. Refunds of less than \$1 will not be made except by customer request.

We can't be responsible for damages, so please package your returned items carefully.

If you can ship the item back to us ground or USPS within the 48 contiguous United States, you don't need to call for authorization. Just send it to us at:

15450 W. 108th St. Lenexa, KS 66219

If we shipped you the wrong item, send it back, and we'll send the right item and reimburse you the ground rate for your return.

We can't accept anything that has been installed (unsuccessful attempts do count), disassembled, drilled, welded, cut, painted, or modified in any way, so please make sure to check and doublecheck the fit before starting any work.

If you are returning a kit, it needs to contain all the parts you received. No partial kits may be returned.

Electronic media (CDs, DVDs) cannot be refunded once they are opened. However, if it is not working properly, it can be exchanged for the same part number.

Please call our customer service line for a return authorization if your part was delivered outside of the 48 contiguous United States.

If you want to return something you bought over a year ago, please call our customer service line for return authorization.

You must call Customer Service when returning a Truck Freight item.

Customer Service Line: (800) 222-5664 ¿Habla Español? (855) 456-2288

A 20% non-refundable restocking fee will be added to anything that's over a year old (unless the extended manufacturer warranty is still in effect, of course) as well as to any unauthorized Truck Freight returns.

And the legal part again: We have the right to refuse any return we deem unfit for resale. We also have the right to refuse any shipments where the shipping charges, duties, customs, etc., are not prepaid.

- Orders must be pre-paid. Orders received before 3:00 p.m. Central Time will ship same day.
- Gift Cards can now be redeemed through the mail or by phone.

What You Need to Know About Shipping within the 48 Contiguous States

We do our best to keep our shipping charges as low as we can. However, some items we carry need some extra space or special handling, so these may require extra charges to ensure they get to you in the most reliable, safest way. Please check your shipment as soon as you can to make certain that everything is accounted for and nothing is damaged. We do everything in our power to ensure your product arrives undamaged.

Shipping charges are based on the "Parts Total" on your order. This chart shows the basic charges for Ground, 2nd Day Air (for delivery the second business day after the order is placed), and Next Day Air (for delivery the next business day) for shipments to the contiguous 48 states. Exceptions are listed below. Limitations may apply.

New Shipping Prices

| Order Parts Total | Ground Delivery | 2nd Day Air | Next Day Air |
|-------------------|----------------------|-------------|--------------|
| Up to \$10.00 | \$ 4.00 | \$ 23.00 | \$ 43.00 |
| \$10.01 to 25.00 | 6.00 | 27.00 | 50.00 |
| 25.01 to 50.00 | 8.00 | 32.00 | 57.00 |
| 50.01 to 100.00 | 15.75 | 43.75 | 70.75 |
| 100.01 to 150.00 | 23.75 | 60.75 | 86.75 |
| 150.01 to 250.00 | 29.75 | 69.75 | 96.75 |
| 250.01 to 350.00 | 34.75 | 78.75 | 112.75 |
| 350.01 to 500.00 | 37.25 | 83.25 | 125.75 |
| 500.01 to 999.99 | 40.75 | Quote | Quote |
| 1000.00 and Up | Free Ground ▼ | Quote | Quote |
| | Free Truck Freight ▼ | | |

If you are ordering Oversized Parts (indicated with a * throughout this catalog), or if you are placing an extra large order, please allow for extra packing and delivery time.

In order to qualify for the free Ground shipping or free Truck Freight, your entire \$1000+ order must be placed at one time. We may have to split your shipment, but we will pick up the shipping charges.

If you want delivery by 2nd Day or Next Day Air, your order must be in by 3 p.m. Central Time, Monday through Friday. This service is available only within the 48 contiguous states and not allowed to P.O. boxes or APO/FPO addresses. There are some limitations on what we can ship by air, based either on size of the products or the items themselves (ORM, Other Regulated Material, such as adhesives are not allowed on air shipments, for example). Oversize Parts (*) are not available for air delivery. Delivery can't be guaranteed on holidays. Backorders will be shipped ground when those products arrive at our warehouse unless other arrangements are made.

Truck Freight and Oversized Parts are not available for Saturday delivery.

Customer Service Line: (800) 222-5664 ¿Habla Español? (855) 456-2288

If you are shipping within Kansas, you will be charged state and local taxes. This also applies if you pick up your order in person at the City Counter, unless you have a Kansas State Resale Exemption form on file with us.

What You Need to Know About Shipping to APO and FPO Addresses

We are thrilled to be able to ship to those who are serving our country; however, there are some limitations on these shipments. We are unable to ship Truck Freight items to you at this time. All orders will be shipped complete, via Insured Priority Mail through the USPS. Size limitations will apply. Please make sure before you place your order that what you are ordering will be accepted and is deliverable to you in your location.

What You Need to Know About Shipping USPS Priority Mail to Alaska, Hawaii and the U.S. Territories

This chart shows shipping charges on orders up to \$500 that qualify to ship USPS Priority Mail. Parts must be 108 inches or less and weigh 70 pounds or less to qualify for USPS Priority Mail. If any part does not meet these qualifications, your order will be delivered by ground for additional charges.

| Order Parts Total | USPS Priority Mail Alaska, Hawaii & U.S. Territories |
|-------------------|--|
| Up to \$20.00 | \$ 19.95 |
| \$20.01 to 50.00 | 25.95 |
| 50.01 to 75.00 | 36.95 |
| 75.01 to 100.00 | 41.95 |
| 100.01 to 150.00 | 45.95 |
| 150.01 to 250.00 | 54.95 |
| 250.01 to 350.00 | 65.95 |
| 350.01 to 500.00 | 71.95 |
| 500.01 and Up | Quote 🌣 |

All orders will ship complete. Any additional delivery charges will be added to your total as

You will be contacted with charges.

needed, including Oversize Part charges or overweight charges.

We will need a daytime phone number with your order. If there is a problem with your order, we will attempt to contact you three times. If we are unsuccessful, your order will be cancelled 5 days after that third failed attempt.

What You Need to Know About Shipping to Canada

Your orders will be shipped ground "Door to Door," which includes brokerage, duty and tax. Charges will be based on the value of your shipment. Document and preparation fees are included. Please call our customer service line for assistance.

What You Need to Know About Shipping Internationally

All international orders ship complete. Shipping charges must be prepaid in U.S. funds. Brokerage, duties, taxes, and fees associated with the order are paid by the customer. We do not accept personal checks on international orders.

What You Need to Know When Shipping Problems Occur

Please open your package(s) as soon as possible and make certain that everything is accounted for and nothing was damaged in shipment. Damaged shipments are the responsibility of the carrier and must be reported to the carrier within 15 days of receipt.

If the package looks damaged when it arrives, open it with the delivery person present, so that they can make an immediate report of damages and discrepancies. If the damage is not obvious at the time of delivery, or if the package was left for you by the shipping company, contact their customer service as soon as possible to make your claim.

On Truck Freight shipments, it is your responsibility to check your order and have the driver note any damage on the freight bill before you sign for your item(s).

Please keep all packing, packaging and contents until your claim has been settled with the shipping company.

What You Need to Know About Shipping a Rebuildable Core Part

Without the constant inflow of rebuildable cores, items can become discontinued and unavailable.

Some items carry a Core Charge which can be reimbursed by your sending in a core that can be rebuilt into a usable part for someone else. These items are marked throughout the catalog with a –Z in the part number. In order to get your Core Charge refund, the part you send in must be clean, complete and rebuildable according to the standards set on that item's catalog page.

Please send us the core part back with a copy of your invoice. If your core is acceptable, we will refund your money in the same way that you paid the Core Charge plus any shipping charges. To be reimbursed for your core return shipping charges, please include a copy of your shipping receipt.

If you're reading this, there's a good chance trucks are a big part of your life ... and your family's. You may even be driving your dad's truck – or your granddad's. Hopefully, your kids will drive it at some point down the line.

But for that to happen, it's up to you to teach them what it means to drive a truck.

To us, driving a truck means putting in an honest day's work. It means driving a hard bargain and sealing the deal with a firm, look-em-in-the-eye handshake. It means helping people who need it, knowing someday, it might be you needing the help.

For us, trucks are part of who we are because trucks are all we do. Simply put, we live, breathe and love trucks – everything about them. It's why there's nothing more important to us than keeping generations on the road.

PRSRT STD U.S. POSTAGE PAID LMC TRUCK

Our Weekend Cruiser

Danny Greene and His 1992 Chevy 1500

We have owned the truck since 1996 and we used it to pull trailers. The motor blew up in 2010 and the truck sat for 8 years. My two sons and I decided to put a new motor in it, lower it a couple of

inches, overhaul the interior, upgrade the front and repaint it. All the parts were bought from LMC Truck except the bed cover which is a Gaylord cover. Now it is our weekend cruiser.

Your Truck ... Your Story Mark Truck ... Your Story
